VARSITY NINE TRIMS UNION

Game Featured by Heavy Hitting by Buff and Blue—Warren and Perry Pitch

SCORE 12 TO 10

Hamilton opened its home baseball season on Saturday with a hard-earned victory over Union. The score was 12-10.

The Buff and Blue batters seemed perfectly at home in their first game on the new field and their heavy slugging was responsible for the victory. Three home runs, two by Hatch, and one by Schults, as well as three base hits by Shults and Warren were features of the game. A two-bagger by Dean in the first inning was Union's only long hit. Errors in fielding, especially in the first part of the game, marred the work of both teams.

In the first inning, Union took advantage of three costly errors to secure three runs before a strike-out and two caught fouls ended their half. Hunter and Monaghan each scored for Hamilton.

The Buff and Blue team then tightened up and held their opponents scoreless for the next two innings, while they secured five runs in the third. Monaghan started off with a safe hit, which was followed by a three-bagger by Shults and a homer by Hatch. Heidorf then took Church's place as pitcher, and retired both Davis and Mulchy. He then walked Tillotson, and hits by Warren and Hunter followed, scoring Tillotson and Warren. The inning ended with Meehan's foul to catcher.

In the fourth and fifth innings, Union accounted for three runs each time, while holding Hamilton scoreless. This put them on the large end of a 9-7 score.

Perry then entered the game as pitcher, and held Union to one run for the rest of the game. Hamilton's fielding improved greatly during the last three innings. Shults, in centerfield, did excellent work and handled several difficult flies very creditably.

A homer by Shults, followed by another by Hatch, in the sixth, accounted for the three runs which tied the score at 10-10. Two more runs came in on hits by Monaghan and Shults, in the seventh. It was in this inning that Hatch injured his ankle, sliding to third. Pottle took his place at first. There was no more scoring by either team.

The lineup was as follows:

NOVEL ISSUE OF ROYAL GABOON APPEARS ON HILL

Contributions Made by Girls Constitute a Pleasing and Humorous Number

The Girls' Number of the Royal Gaboon, which came out last Saturday for Spring House Party, was voted by fair guests and undergraduates, by patronesses and alumni, a huge success. That the modern girl can write humor, draw, and compose poetry was very clearly shown in this last issue. In inaugurating this new feature among Hamilton publications, the editorial staff has attempted something which, judging from the success of this venture, ought to be continued every year.

As announced in a previous issue of the publication, three free year's subscriptions to the Gaboon were to be awarded to the three girls submitting the best art work, and three more to those excelling in the literary department. For literary excellence the prizes went to the Misses Grace Gilligan, Beechwood; Esther D. Mason, Elmira College; and Virginia Le Valley, Ossining, N. Y. For the art department, those winning were the Misses Margaret V. Hawthorne, Minneapolis, Minn.; Lorraine Tripler, New Haven, Conn.; and Katherine Olmstead, Syracuse, N. Y.

Miss Hawthorne wone the honor of contributing the front cover. Her full page illustration of "Love's Labor Lost" was also very good. Miss Tripler's drawings were very appealing. Her best contributions were "Half Hidden Treasure" and "Helen of Troy." "For the Well-Dressed Man" by Miss Olmstead, also deserved considerable praise. Miss Irene Pamperin of Downer College contributed a clever drawing entitled "Save the Surface and You Save All!"

Among the large number of talented literary contributions, "Ideals and Ennui" by Miss Gilligan was undoubtedly the best. "Foolishment" and "Hero Stuff" by Miss LeValley are also worthy of praise. Miss Mason must also be mentioned for "Famous People" and "Musings of the Filosofer."

The best sentimental verse was submitted by V. M., Elmira College, and was entitled "To —."

This issue is the last to be put out by the present board. The new publication board consists of Palmer, '23, Editor; Willard, '23, Business Manager; Hall, '23, Art Editor.

A CORRECTION

Mr. H. J. Munger, '05, has found it necessary to change the date of his visit to the Hill for the purpose of interviewing members of the senior class. He will be here on Friday, May 26, instead of May 12, as announced in the last issue of **Life.**

—On last Thursday morning Arnold Hall, C. Grant Loomis, and A. Laighton Seaver were pledged to Pi Delta Epsilon, the national honorary journalistic society.

FRATERNITIES HOLD WEEK-END DANCES

Ideal Weather and Activities on Campus Make Most Enjoyable Conditions

The annual spring house-party was held on the Hill over last week-end under the most favorable conditions. The weather man, contrary to his usual disposition at this time, continued to afford good weather for the benefit of the many visitors that invaded the Hill to enjoy the festivities.

The fraternities opened the week-end with dances on Friday evening at the various chapter houses. A track meet, baseball game, and a tennis match were on the schedule for Saturday, in addition to two tea dances that were given by the freshman class and D. T. Society. Dancing was again on the program to wind up the festivities on Saturday evening.

HAMILTON MEETS TWO TEAMS THIS WEEK

Clarkson and Williams Oppose Captain Davis' Nine

Tomorrow afternoon Captain Davis' baseball team will meet Clarkson Tech in the second home game of the season for the Buff and Blue. On Saturday the baseball team will journey to Williamstown to meet the Purple nine. As one attraction on Sub-Freshman Day, Captain Pope's track team will meet St. Lawrence University on Steuben Athletic Field.

Clarkson has played a number of games this year, and for that reason should have a slight advantage over the Buff and Blue. Judging by comparative scores—if comparative scores mean anything—Colgate, on May 5th, overwhelmed Clarkson, 23 to 6, and on the next day beat the Buff and Blue 14 to 0. According to these scores Hamilton should defeat Clarkson tomorrow afternoon. In the Colgate game, Clarkson made six errors, and out of ten hits, Wilson, short-stop, tallied three and Calderella, second base, and Mitchell, right field, two each. Clarkson's probable line-up will be:

McGuiggan, lf, Randall, cf, Calderella, 2b, Wilson, ss, Mitchell, rf, Williams, 1b, Powers, 3b, Becker, c, Fluellen, p.

Williams has played a number of games this year, but has been only fairly successful. On their spring trip they broke about even, playing against teams in Virginia, Pennsylvania, and around New York City. On April 29th Union submerged them 20 to 7. On May 6th, however, Williams beat Trinity 11 to 6, by bunching seven runs in the fifth inning. In the eighth inning, O'Brien, short-stop, knocked a home run. Williams' line-up Saturday probably will be:

Buck, cf, Bixby or Ruether, rf, O'Brien, ss, Richmond, 1b, Monjo, lf, Hoyt, 2b, Fincke, 3b, Stephenson, c, Sabin or Cobb, p.

FRESHMAN FROLIC AT PSI UPSILON HOUSE

On Saturday afternoon at the Psi U House, the class of '25 gave a Freshman Frolic. Because of the lateness of the baseball game, the dancing did not start until nearly five o'clock. The Frolic was well attended and was a very peppy party. Page's Orchestra of Cornell furnished the music. The patronesses were Mrs. Turner of Norwich, Mrs. Morehouse and Mrs. Spice of Utica. The credit for the success of the dance is due to Clemens, '25, who acted as chairman of the committee, Farrell, Tracy, Brady and Southard.

D. T. TEA GIVEN OVER WEEK-END

The D. T. Tea was held at the Delta Upsilon House last Saturday afternoon from four-thirty until seven o'clock. There were about forty couples present. Mrs. Huchtings and Mrs. Washburn were the patronesses. The Cornell Big Four Orchestra furnished very excellent music for the dancing. During an intermission the D. T. neophytes presented a number of very pleasing sketches. The "Nature Dance" by Lehman, '25, was very cleverly done, and the bandit scene proved to be a hit. "Don" Kittell, '24, was in charge of the dance.

R. P. I. TEAM BOWS TO HAMILTON

Buff and Blue Track Athletes Take All First Places in Races—A. Alison Wins Three Events

SCORE 82½ TO 42½

On Saturday afternoon the Buff and Blue track team completely swept the track athletes of R. P. I. off their feet in one of the best meets seen on the Hill in recent years. The R. P. I. team was no match for Coach Squires' men. Hamilton took all the first places in the track events, and secured all three positions in the quarter and the discus throw. The final score was 82½ to 42½ in favor of the Buff and Blue athletes.

The most outstanding figure of the meet was Alison, '24, who won all three of the events in which he entered. He won the 440 by a large margin, and then after a brief rest took the 100 yard dash away from Weed of R. P. I., in one of the prettiest races of the day. Not content with these honors he took the first place in the 220, winning by a full ten yards and clipping 1-10 of a second from his own previous record.

Watson Thompson, the sensational runner, ran his usual good form and took premier honors in the mile and half mile. Van Hoesen in a thrilling race easily outclassed Clark of R. P. I. in the two mile run on the last lap. Van Hoesen stayed just in the rear of Clark all of the race until the last and then, playing with his man, took the lead on the home stretch. Fenn also distinguished himself for Hamilton by winning both of the hurdle events.

R. P. I. as able to win only the weight events. Knoll won the 16 lb. shot put and Jennings the hammer throw.

The victory may be considered a very decisive one for Hamilton, especially in view of the fact that Capt. Pope of Hamiton, the holder of the 220 hurdles record was in the hospital, and Eckler, the Buff and Blue star weight man, had just recently recovered from a seige of illness.

A summary of the track and field events is as follows:

One mile run: W. M. Thompson, H; Horshberg, R. P. I.; Shinnick, H; time: 4:48 1-5.

440 yard dash: A. Alison, H; Morris, H; Snell, H; time: 53 1-5 sec.

120 yd. high hurdles: Fenn, H; Valentine, H; Vought, R. P. I.; time: 17 5-10 sec.

100 yd. dash: A. Alison, H; Weed, R. P. I.; Lindholm, R. P. I.; time: 10 2-5 sec.

Two mile run: Van Hoesen, H; Clark, R. P. I.; Yates, H; time: 10: 22 1-5.

880 yd. dash: W. M. Thompson, H; Horshberg, R. P. I.; V. Alison, H; time: 2:05 1-5.

220 yd. low hurdles: Fenn, H; Vought, R. P. I.; Valentine, H; time: 27 sec.

220 yd. dash: A. Alison, H; Lindholm, R. P. I.; Lanchez, R. P. I.; time: 22 1-10 sec.

Shot put, 16 lb.: Knoll, R. P. I.; McGiffin, H,; Kelly, H; distance: 35 ft., 8 in.

Pole vault: Fletcher, H; A. Warren, H, and Trow, R. P. I., all tied for first place. Height, 10 ft., 6 in.

Our Singing.

So much has been said at various times in the past about the college singing that we hesitate to bring up the subject again, but on second thought we realize that too much cannot be said until results can be noticed.

There are many colleges of the same type as Hamilton which are known for their excellent singing. They achieve this reputation which we do not obtain, not because they are better singers, but because it is part of their custom to hold college "sings" throughout the year. At these times the undergraduates can learn how to produce a uniform and well-blended chorus in the songs of the college. Another noticeable feature is that these "sings" are very well attended, a fact which unquestionably adds to their success.

In the past two or three years there have been noble attempts to round up the undergraduates in front of the chapel on some pleasant June evening to hold "sings." These exhibitions of vocal expression have sometimes been successful, but in the main, they are sad failures. A handful of men appear, watch to see what the other fellow is going to do, and feebly move their lips in a half-hearted attempt to sing. With the exception of the members of the Glee Club, very few men carry the different voice parts. The result is a ragged, uneven combination of voices with almost no expression.

The college singing has been good at times and it can be good at all times. It would greatly help to raise the standard if groups of men would get together at the different houses, in Commons, or wherever a piano is available, and rehearse some of the Hamilton songs. Learn all the words and voice parts and then sing your head off whenever the college body sings. This college is fortunate in having an excellent collection of songs that are distinctly Hamilton. It is impossible to believe that the voice is poorer than that of any other undergraduate. With these factors in our favor, the only reason for poor singing is found in the lack of spirit of the individual.

Practice up and see what we can do on sub-freshman day and at any of the college "sings" which may be held between now and June.

A COMMUNICATION

[All signed communications received will be printed. However, the Editorial Board is not responible for facts stated or opinions expressed.]

The Editor of **Life**:

Your issue of April 11 contains an interesting editorial on "Two Generations." The editorial contains the statement that "many men feel that no one can concentrate thoroughly enough on his studies to get a key, and, at the same time take part in the extra-curriculum activities of the college."

Without questioning the truth of the statement, I am interested to note that if that is the rule of this generation, it is frequently honored in the breach. Purely for the sake of gathering statistics (a delightful pastime, by the way) I took Pentagon as an indication of a man's participation in the aforesaid extra-curriculum activities. I find that in the class of 1909 (wherein you would no doubt class some of "the older alumni") there were two men who wore Pentagons and Keys (and one was valedictorian); in 1910 one man won both trinkets (and he was salutatorian!); in 1912 there were two "double-headers"; in 1913, two; in 1914, two; in 1915, one; in 1916, one; in 1918, two; in 1920, two; and in 1921, three. I don't know how many of them are in Who's Who. Perhaps a comparison of records of Phi Beta Kappa men in Hamiltonians would be interesting—perhaps not. Anyway, it couldn't prove less than the above carefully compiled records.

Yours truly,
PHILIP C. JESSUP, 1918.

P. S. On the whole, I rather agree with P. N. M. and the Yale Senior Class.

REV. DR. CHILD DIES

Rev. Frank S. Child, '75, died last Thursday in a hospital at Bridgeport, Conn. For thirty-two years he had been pastor of the First Church of Christ (Congregationalist) at Fairfield, Conn. In 1920 he retired from the pulpit, and was at the time of his death, minister emeritus.

Dr. Child was born in Exeter, N. Y., sixty-eight years ago. He received his early education in that town, and after four years at Hamilton, graduated with honors, being elected to Phi Beta Kappa. He later received the honorary degrees of D.D. and L.H.D. from Hamilton and Alfred University. He was a corporation member of the American Board of Commissioners for Foreign Missions, and trustee and secretary of the Francis Asbury Palmer Fund.

He is survived by four daughters and three sons, two of whom were also Hamilton graduates, Dr. Frank S. Child, Jr., '03, of Port Jefferson, N. Y., and Arthur H. Child, '05, of El Paso, Tex. Dr. Child was a member of the Delta Upsilon fraternity.

—James Minor, '94, was married to Miss Julia Wilson McCullough of Brooklyn, N. Y., on Feb. 11, 1922. Their home will be in Brooklyn for the next few months. The ceremony was performed by Rev. Dr. Anthony Evans, '82.

He Reached the Top

THE Vice-President of a great life insurance company who began his career as an agent has this to say to seniors who are about to graduate from college:

"If you love work and desire to pursue an honorable, useful and lucrative mission in life this is the business for you to take up. Life insurance salesmanship offers a fine field for the energies of the splendid young men in our colleges.

"That this is true is demonstrated by those college men who have taken up life insurance for they have shown that the college man is fit for this kind of a job and that the job also is fit for the college man.

"The work of the life insurance salesman is distinguished by independence and opportunity for directing his own. It gives all possible opportunity for individual initiative and a chance to make an ample income at an age when most fellows are struggling on a wage pittance."

That is the story of one who began at the bottom and reached the top without the help of a college education. The advantages are with you who graduate from college. Before deciding your career make inquiries of the "Agency Department."

TENNIS TEAM IS AGAIN DEFEATED

Last Saturday the Hamilton tennis team was defeated by the Union racquet wielders in the third meet of the season.

Acebron was beaten by Rice, captain of the Union team, the scores being 6-4, 6-4. The second game of the singles was won by Freedman of Union, over Captain Getman, by scores of 6-0, 6-3. Bradley won the first set of his game with Racett of Union, but was defeated 2-1, and the three set scores were 3-6, 6-4, 6-4. The final game of the singles, between Fitzgerald and Ottoman of Union was Fitzgerald's victory. The scoring registered 6-3, 6-4 in Fitzgerald's favor.

Two games of doubles were played, and both were victories for the Union team. The first was between Acebron and Getman for Hamilton and Rice and Racett for Union, the visitors winning score reading 6-0, 6-4. Fitzgerald and Bradley played the second game against Freedman and Ottoman, winnihg their second set, but were beaten 6-3, 4-6, 6-4.

Y. M. C. A. NOTES

One of the attractions planned by the Y. M. C. A. for visiting sub-freshmen next Saturday is the Paramount feature picture "The Call of the North", to be shown in Commons Hall at eight o'clock. This photoplay, a 1922 release, is based on Stewart Edward White's famous novel, "Conjuror's House," and the action of the story deals with the efforts of the Hudson Bay Company to keep all rival fur traders out of the Canadian Northwest. This is Jack Holt's first starring vehicle for Paramount and the picture furnishes him many opportunities for emotional acting of the highest caliber. The cast includes Madge Bellamy, well-known on stage and screen, Noah Beery, and Francis McDonald.

AN OMISSION

Through an oversight, the following was omitted from last week's issue of **Life.**

At a recent meeting of the members of the Musical Clubs, Charles S. Langtry, '23, was re-elected leader of the Instrumental Club, and R. Hawley Fitch, '23, was chosen leader of the Glee Club to succeed Francis J. Burns.

Contrary to custom, Langtry was elected leader of the Instrumental Club at the end of his sophomore year. His re-election was made by a unanimous vote in appreciation of his ability as leader during the past season.

MANAGERS' CLUB

The first meeting this year of the Managers' Club was held on Monday evening, May 8, at Chi Psi Lodge. The meeting opened with an election of officers, with the result that DeWitt, '23, was elected president, Cannon, '23, vice-president, and R. Wood, '24, secretary. The club was founded last year with the idea of promoting greater cooperation between the managers of the various departments, and if possible, to arouse a keener interest in the competitions for managerships. It was suggested that the latter might be accomplished by the awarding to the managers of a badge similar in idea to the Charlatans' key.

—R. B. Warren, '12, will resign from his present position of editor of the American City Magazine, published by te American City Bureau, to take up similar duties with the Federal Reserve Board at Washington, D. C., in compiling the official bulletin of the Board.

GEOLOGY CLASSES TAKE MANY FIELD TRIPS

Taking advantage of the spring weather, members of the geology classes are doing extensive field work. Several trips have already been made. The 1-2 class spent last Monday in the vicinity of Little Falls, which is an exceptionally fine location for the study of pre-Cambrian and Cambrian formations. Campus trips are frequent on the part of all classes.

Men who are taking advanced courses are engaged to a large extent in work of an individual nature. The 3-4 class, singly and in pairs, is studying at various points which are accessible from the Hill. The majority of these trips will occupy two or three days. Some of the places which will be studied and reported upon by the men are the talc mine at Carthage, the Clinton mine, Little Falls and Lyons Falls. Others will report on the geology of the campus and the college water supply. Later on in the month a class will visit Gouverneur and Pyrites, N. Y., where graphite, mica and pyrite are being mined.

Geology 5-6 will spend a day in the study of the mineralogy of the campus and that of the Clinton mine. A trip will also be taken to the Benson mines at Lake Bonaparte. This expedition will last for two days and will be for the purpose of observing the mining of magnetite at the mines. On May 25 the 1-2 class will take another trip, this time to Trenton Falls. These trips, with the exception of individual men, will be under the direct supervision of Dr. Dale.

The engagement of John Robert Adams, '17, to Miss Amorette Pierce Rollins, has just been announced. Both live in West Roxbury, Mass.

During the war, Mr. Adams served as a first lieutenant in the infantry. Miss Rollins was a member of the class of 1920 at Smith College, and has been a student at the New England Conservatory of Music, and also at the Conservatoire Americain at Fontainebleau, France. Mr. Adams is a member of the Alpha Delta Phi fraternity.

HISTORY CLUB

A meeting of the History Club was held at Dr. Bonham's house on Friday evening, May 5th. A discussion of the history, development, and present outlook of several western nations was held, Euler, '23, reading a paper on Canada, Morris, '22, on Chile, Dowling, '22, on Brazil, and Dr. Bonham on the Argentine Republic. Refreshments were served by Mrs. Bonham.

ST. LAWRENCE TRACK TEAM HERE SATURDAY

Hamilton Has Edge on Opponents in Races But Scarlet and Brown is Strong in Field Events

According to records made in the St. Lawrence meet with Middlebury on May 8th, the Buff and Blue track men should not have much trouble in securing some first places on Saturday.

Caldwell of St. Lawrence ran the century in 11 seconds, as against 10:1-5 seconds made by Dunn in the Rochester-Hamilton meet, in which race Capt. Pope was two feet behind the leader. Caswell of St. Lawrence made the two-twenty in 24 seconds. Alison, in the Rochester meet, ran that distance in 22:1-5 seconds. Murphy of St. Lawrence won second place in the two-twenty low hurdles. Robinson of Middlebury won the race in 27:4 seconds. Pope's time was 26 seconds. Caldwell of St. Lawrence got second place in the four-forty. Cook of Middlebury won the race in 52:6 seconds. Alison's time was 52:1-5 seconds. Fisher of St. Lawrence tied for second in the mile. Shelvey of Middlbury got first place in 4 minutes and 43:1 seconds. Thompson's time was 4:33:2-5. In the two-mile run, Brush of St. Lawrence got third place, the only place for St. Lawrence in that event. Cole of Middlebury, the winner, beat Van Hoesen's time by 3-5 of a second, making it in 10 minutes and 55 1-5 seconds.

But in the field events there is another story to tell. Colan of St. Lawrence put the sixteen-pound shot 37 feet 9 inches, beating McGiffin's distance by three feet. In the pole vault, Cook and Morgan of St. Lawrence tied for second. Whitten of Middlebury went 10 ft., 7½ in. Warren and Fletcher tied at 10 ft., 6 in. In the discus, Loysen of St. Lawrence placed third. Sikorski of Middlebury threw the platter 114 ft., 4½ in. McGiffin made 112 feet. Kane of St. Lawrence threw the sixteen-pound hammer 130 ft., 9 in. In the broad jump Kelly's record of 5 ft., 9½ in., looks well in comparison to Loysen's, of St. Lawrence, record of 5 ft., 3½ in.

Hamilton ought to prove superior in the races against the Scarlet and Brown, but the two teams are more evenly matched in the field events. Each has proven a consistent point winner and will in all probability make a good showing next Saturday afternoon.

SENIOR CLASS ENTERTAINED AT PRESIDENT'S HOME

Members of the senior class were royally entertained last Monday evening at the home of President and Mrs. Ferry. The Faculty Players, Inc., were introduced by Dr. Ferry, and they furnished entertainment during a large part of the evening. A series of charades representing some of the familiar institutions of the Hill were presented by the players and the applause of the seniors was an indication of the faithfulness of the reproductions. The practice familiarly known as "ingratiation" was depicted with a remarkable degree of accuracy by Dr. Shepard and a class composed of other faculty members. Professor Super brought down the house as a proprietor of a college inn. The "Doggone Student Blues", a rebound of the "Faculty Blues", was sung by Professor Fancher. This song made a tremendous hit with the seniors, many of whom are exalted to places of fame in its lines. Mrs. Dale sang two solos in a delightful manner and met the instant favor of her audience

It was an entertainment that was very cleverly presented and enthusiastically received by the seniors.

ALUMNI NOTES

—Dexter North, '13, is a chemical expert with the U. S. Tariff Commission, Washington, D. C.

—A. B. Warfield, '00, lieutenant-colonel in the Quartermaster Corps, has been appointed chief of the Salvage Division to clean up the surplus of war material.

—Consul John G. Erhardt, '15, and family will return from Athens, Greece, for extended leave in this country in June. Erhardt was acting Consul General at that post from August to December, 1921, during the absence of his superior on leave in this country. He hopes to visit the Hill during commencement. He will be the guest of Keddy and Lee, '15, during his stay in Washington on official business.

—Rev. Jay T. Badgley, '89, dropped dead on the street last week, while visiting his daughter in Philadelphia. Mr. Badgley was for twenty-five years pastor of the First Presbyterian Church of Dunkirk, N. Y. About two years ago he resigned and became secretary of the Dunkirk Chamber of Commerce. Last year he was appointed secretary of the Chamber of Commerce in Knoxville, Tenn., where he was living at the time of his death. Mr. Badgley was a member of the Emerson Literary Society.

—The Hamilton Alumni Association of Washington, D. C., held its annual dinner at the Kenesaw on Friday evening, Apr. 28. The guest of honor was Senator Joseph I. France of Maryland, class of '95. Hon. Leroy Parker, '65, presided and A. M. Serven, '87, acted as Secretary-Treasurer in place of R. M. Stone, '99, who is now Director of the Pennsylvania State Geological Survey at Harrisburg, Pa. The following officers were chosen for the ensuing year: Senator Joseph I. France, president, and J. L. Keddy, '15, secretary-treasurer. Others in attendance were Scott, '87, Warfield, '00, North, '13, and Lee, '15. A letter from the bursar of the college concerning the status of the student body and financial condition of the college was enthusiastically received.

BIXLER, '22, ON COLLEGE COMICS

An article by Paul Bixler, '22, appears in the April issue of the "Collegiate Publisher." The article, entitled "Where the College Comic Fails," is a protest against the present tendency of the college humorous magazine to emphasize the risque, thus giving the outsider an entirely erroneous impression of college life. Mr. Bixler makes an appeal for college comics which will print humor of a better sort, especially concerning college life. He thinks that the improvement of the humorous magazines can come only from the undergraduate or alumnus, since faculty criticism is often prone to destroy the paper.

"The Collegiate Publisher" is a monthly periodical devoted to the interest of student papers. The magazine contains many excellent articles concerning college papers, and Mr. Bixler's article ranks prominently among the others.

Approximately thirty-five delegates from the leading college publications in the East assembled at Ithaca on Friday to attend the third annual convention of the Eastern Intercollegiate Newspaper Association.

The convention opened on Friday morning with a business meeting which took up the greater part of the day. In the evening, the delegates were entrtaind at a banquet where they wer addressed by several prominent men acquainted with the newspaper field. On Saturday the delegates witnessed the dual track meet between Cornell and Penn.
